

ANCHORAGE PROJECT ACCESS - offers health care to our neighbors most in need. All care is donated by the health care providers listed below

WE'RE MAKING A DIFFERENCE - since 2006, over 2,965 individuals have received medical treatment and over 553 health care providers are participating in the volunteer network

THANK YOU - to all the health care providers and their office staff who continue to make our mission a reality. Your generosity represents over \$39 million in donated care

SPECIAL THANKS - To **Geri Cannon** our loyal volunteer for many years and to **Christian Health Associates** for their ongoing support and encouragement

OUR HEARTFELT THANKS - To our major donors, community donors and local businesses for your continued support. And to the many individuals who support us - **we thank you.** For information, call 907-743-6600 or visit: www.AnchorageProjectAccess.org
