

Anchorage project ACCESS

ANCHORAGE PROJECT ACCESS – offers health care to our neighbors most in need. All care is donated by the health care providers listed below.

WE'RE MAKING A DIFFERENCE – since 2006, over 1,777 have received medical treatment and 458 health care providers are participating in the volunteer network representing 39 specialties.

THANK YOU – to all the physicians, health care providers and office staff who continue to make our mission a reality. **Your generosity represents over \$13.6 million in donated care.**

OUR HEARTFELT THANKS – To our major donors, community donors and local businesses for your continued support. And to the many private donors who support us – **we thank you.** For information, call **907-339-8746** or visit: **www.AnchorageProjectAccess.org**.
