

Celebrating 12-Years Helping Our Most Vulnerable Neighbors!

ANCHORAGE PROJECT ACCESS – offers health & dental care to our neighbors most in need. We also assist with enrollments in Medicaid and for insurance with the Affordable Care Act. All care is donated by the health & dental care providers listed below

WE'RE MAKING A DIFFERENCE – since 2006, over 3,422 individuals have received medical treatment and over 624 health & dental care providers are participating in the volunteer network

THANK YOU – to all the providers and their office staff who continue to make our mission a reality. Your generosity represents approximately \$46 million in donated care

SPECIAL THANKS – To **Geri Cannon** our loyal volunteer for many years and to **Christian Health Associates** under whom we reside fiscally and administratively

OUR HEARTFELT THANKS – To our major donors, community donors and local businesses for your continued support. And to the many individuals who support us – **we thank you.** For information, call 907-743-6600 or visit: www.AnchorageProjectAccess.org
