Benefits to you and your business: Anchorage Project Access greatly appreciates your support of our annual fundraiser. Your sponsorship helps hundreds of people each year receive donated care. The media campaign will consist of television commercials both advertising the event and post thank you advertising. APA will be placing ads in the Anchorage Daily News print and online to advertise the event and to thank our sponsors. A robust Facebook campaign will be in place to advertise the event and encourage people to like the Facebook page where we will have scheduled sponsor shout outs several times a week before the event. A sponsor page on the APA website will be robust and interactive directing people to the link your business has provided.

Anchorage Project Access is a 501(c)(3) Charitable Organization. Tax ID #92-0152088
